

I give telephone readings/sessions/private lessons out of my home.

The difference between a reading and a session:

A 15-20 minute reading gives you just the raw data/information.

A session involves what you do with the information. A session provides a more in depth, one on one, discussion on which path that you should chose using the information from the reading. A session can include a reading.

Rates are as follows.

Scheduled readings/sessions are:

20 minutes for \$45.

30 minutes for \$70.

45 minutes for \$100.

1 hour for \$125

Readings/sessions that go over are charged at \$25 per each 10 minutes.

Unscheduled or emergency readings are \$65 for 20 minutes.

\$35 for each additional 10 minutes.

Readings on days/times not designated "open" are unscheduled.

Readings without 2 hour notification are unscheduled.

Private in person classes or sessions are \$125 per hour

As a reminder Psychic Fairs are a discounted rate.

Feel free to contact me if you have any questions, requests for class topics, or to schedule a class or appointment.
